

Nasdaq ESG Transparency Partner 2024

cBrain has been recognized as a Nasdaq ESG Transparency partner for the year 2024. This prestigious certification is awarded to companies committed to transparency with their investors regarding Environmental, Social, and Governance (ESG) factors. As a Nasdaq ESG Transparency Partner, cBrain proactively shares its sustainability data with Nasdaq, enhancing market transparency and promoting higher environmental standards. Our comprehensive disclosure is distributed through Nasdaq's equity market data feeds, ensuring broad visibility to investors and brokerages.
